

**FROM THE PASTOR'S DESK**

*“To what can I compare the Kingdom of God or what parable can we use for it? It is like a mustard seed that, when it is sown on the ground, is the smallest of all seeds on the earth. But once it is sown, it springs up and becomes the largest of plants and puts forth large branches, so that the bird of the sky can dwell in its shade.”*

*- Gospel of St. Mark*

Happy Ordinary Time! I should not say this, but I think I am war-weary of all of these feasts and celebrations, as nice as they all are. It is like having had a good Christmas celebration with family and friends, but grateful when the “green” Christmas tree is finally taken down.

The gospel from St. Mark is certainly a reminder to me of many “ordinary days” when I was growing up on the farm. By the 4<sup>th</sup> of July we were already starting to walk the soybean fields (before all of the high-tech herbicides) and do the back-breaking work of hoeing weeds in the heat of the day.

While, for the most part, those six weeks of walking were pretty “ordinary” and sometimes not all that fun, there were from time to time some “extraordinary moments”, like when we found sea shells in what had once been a swamp or slough (excuse me, I should say WETLAND)! There was another time that we found a grinding stone from the Native Americans. We had good intention of saving it and giving it to the Murray County Historical Society that was on the fair grounds. However, when the Fair came around in August, no one remembered where we had laid the stone. Equally, there were times when we saw all sorts of wildlife from deer to mice to even a fox or two.

But whenever I hear this gospel from St. Mark, I recall the summer when I was in grade school and we were all in a sea of yellow. For, from one end of the field to the other, all we had was wild mustard. The Good News is that you could see exactly where you had “cleaned the beans” as we called it. For one side looked green and the other side looked very yellow.

Being the youngest, I was usually behind my older siblings, but on that particular day I came across such a large mustard plant, the size of a small bush. I concluded (even before I tried) that I could not pull it out. As I was ready to take my hoe to it, I could not believe what I saw. In this large mustard plant’s branches was a little nest with three bright eggs from one of the wild birds of the prairie.

In our hearts, all of the van de Crommerts are naturalists and we struggled as to what we should do. If we did not pull up the plant it would send thousands of more new weeds across the field. Disturb the plant and we would destroy the

nest. After much debate we carefully took the nest and set it near-by, under a row of beans that had been cleaned. We hoped and prayed that the parent-bird would find her eggs.

So what the Lord states in the gospel about the little seed becoming a great plant was lived reality for me. It is an image that, decades later, is still burned in my mind as we often tried to open the ripe pods of the wild mustard and find the tiniest of black seeds!

The Good News in all of this is that there is STRENGTH in SMALLNESS! I know, we live in a world where “bigger is better”, the “majority rules”, and “big-box stores” are better for consumers in selection and cost than the small town shop.

But, spiritually speaking, think how powerful one person can be for doing good! Look at the life of many of the saints and holy ones from Blessed Mother Theresa to St. Pope John Paul II. Imagine, if everyone in church would just invite one other person to come to Mass next Sunday, we would have standing room only!

Finally, let us not forget that each week when we come to celebrate the Holy Eucharist, the amount of Eucharist that we consume is so incredibly “small”. The host is smaller than most chips or crackers and the sip of wine, barely wets our lips. Yet, we believe that small amount of Holy Communion allows Christ, that single soul (yet the Son of God), to come into our hearts and give us the spiritual power to make a GREAT difference in our lives and in the lives of others.

In the week ahead just try to do just a LITTLE act of kindness at home, work or at play. You might be amazed at the great spiritual outcome. Have a great week of summer! (Oh, yeah....I was serious about inviting someone else to Mass. Tell your neighbors and friends the Good News of Holy Rosary!) Blessings!!!!

**WELCOME**

Please welcome with me another household that has joined Holy Rosary parish. Please welcome Susan Peterson who originates from New Ulm, but resides now here in North Mankato. We are so happy that you have joined our ever growing parish family. Welcome!

**STEWARDSHIP**

Thank you for your gifts of stewardship this week. Not only did we break budget, but we are also several thousand dollars higher than a year ago. All of this is good as we continue to do clean-up in and around the school, church and rectory in preparations for another fall term of religious instruction, meetings and liturgies. *(You may have noticed how clean the floor is now under the pews when you attended Mass. Someone said to me this week that they do not remember a time when the floors were waxed under the pews. I remember that it was done when I was a seminarian during the time of Fr. Ed as I helped in doing it!)*

We have only two weekends remaining in the fiscal year before we close our books for the 2014-2015 year. I am guessing that we have had a good financial year, have paid all of our bills and covered all of our commitments. I have confidence that we will end the year in the black, even though we have not received this year any major bequests.

Please consider electronic giving if you are comfortable with the idea and if you are gone from our parish family on the weekends a great deal. We especially are grateful for your great offerings even during the months of summer. You have been GREAT stewards. Thank you so much for your gifts! Blessings!

**VACATION SCHOOL - THANK YOU**

Our thanks goes out to Sue Cashman and the many volunteers who made the annual Vacation Bible School another great success (see insert for full list). This year we had 48 young people participate, which is slightly up from a year ago. From the looks of things, the young people had a lot of fun and also deepened their faith a bit. Thank you to all who helped and all of our young families who participated. We hope to do it again next June! God bless!

**STAFF THANK YOU**

This weekend, as a parish family, we honor and recognize those staff in our midst who have given to us a wide range of service from the spiritual formation of our youth to finding time to visit the sick and elderly of our parish. Maggie, Sue, Sr. Mary Anne, Paul & Kevin have faithfully served the parish these many years and, in the spirit of the Apostles, have been proclaimers of Good News in wide and varied ways. No doubt their decision to retire or move on to other pursuits will be a change for them as well as to our parish family. We wish them well in the next step of their life and faith journey.

Following the 10:00 A.M. Mass this weekend, you are encouraged to come and celebrate and express your gratitude for their dedicated service. God bless you all for all that you have done for the benefit of Holy Rosary.

**RELIGIOUS EDUCATION NEWS**

In case you were gone last weekend, Cathy Neve has accepted the position of the Director of Religious Education here at Holy Rosary. We are most grateful for her joining our parish staff.

Cathy has taught for more than two decades both in the Catholic and public school setting on the high school level. She has a Master's degree in education as well. Suffice it to say, Cathy has the credentials and equally the personality to present a great religious education program this fall.

Right now, plans are in the works to begin to form a new Education Committee as requested by the Diocese to consult the faithful on matters pertaining to catechesis and evangelization. If you would like to be on the committee, we would love to have you join. We will most likely meet 3-4 times a year. Call the parish office if you might be interested.

**CITY-WIDE YOUTH MINISTRY UPDATE**

The parishes of St. John's and Holy Rosary held another meeting at St. John's to discuss a City-Wide Youth Ministry program. At our last meeting, both St. John's and Holy Rosary are standing together in solidarity that we will initiate a program that will begin this fall with some start-up activities for our youth and perhaps special youth liturgies/spiritual activities as well. The committee will continue to meet, prepare and plan for a full-scale Youth Ministry Program for the fall of 2016.

**PART-TIME PASTORAL SERVICE**

Several months ago, I asked Lorraine Klaseus if she would be willing to help me as pastor, to identify and keep track of the many sick and home-bound that are in our parish. Having worked for 11 pastors, Lorraine knows many, if not most of the people from the parish. She has typed out a list for me to visit on a weekly basis and has recorded when I visited them, anointed them and gave them Holy Communion.

When I asked Lorraine to do this work, she told me that I was thinking like Fr. Ed, as she had handled the recording of his sick calls as well when he served as pastor. She recently informed me that, over the past nine months, more than a 100 home visits have occurred by the priest (not including our E.M.E. visits) and including some that had somehow slipped through the cracks (because we are a large parish) and did not have regular visits. (These people are now being assigned an E.M.E. to visit them weekly as well.) These visits do not include the weekly visits that Sr. Mary Anne and I had made to the hospital each week.

At a recent luncheon meeting, it was decided that both Deacon Russ and Lorraine will be visiting the hospital weekly. Deacon Russ will also be assisting in visiting some of the many sick and homebound in the months ahead. I am grateful for his ordained service!

Pastorally, I try to block a good part of many of my Fridays to visit the sick. I have always enjoyed the pastoral work of visiting and being with the aged, sick, injured and homebound. As I get more and more settled, I hope to do even more home visitation. My hope in the coming weeks is to again re-establish the Social Concerns committee that Fr. Ed had meeting with regularity throughout the year to address the needs of the infirm among other social concerns of our parish and broader community.

If you know of someone that is sick or homebound and could use a visit, please call Lorraine at her home at 507-388-4932, or the parish office. Thank you!

Loyola administrators and representatives from our Math department spent June 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> at Lourdes High School working on K-12 Math curriculum with staff from other schools in the Winona diocese. (Last year, we worked on K-12 Social Studies curriculum.) Our work is facilitated by Notre Dame University's Alliance for Catholic Education.

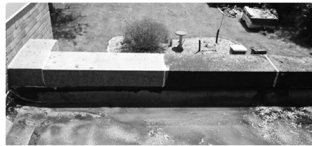

Loyola is currently accepting applications for the 2015-16 school year. Please feel free to call 507-388-0615 to set up a visit and tour our school this summer.

**FR. ED ARDOLF ENDOWMENT FUND**

This fund is now at \$133,752.00. 85% of the earnings of this fund go to pay tuition at Loyola Catholic School for Holy Rosary families. Contributions to this fund may be dropped off at the parish office or sent to Amy at Loyola.

**SUMMER REPAIRS**

Recently, in consultation with the trustees, it was decided to complete the tuck-pointing work on the rectory by removing the mortar from the brick.

In addition, it was strongly recommended that we would address the limestone that is the trim on our 1950's church. Limestone is a porous rock and takes on moisture readily when it is not sealed. When the windows were removed from the church with their wooden frames and replaced with steel framed windows and stained glass, it was noted that the wooden window frames had rotted and deteriorated. This is the result of the limestone taking on moisture and sending it into the wooden frames.

The limestone was cleaned with an acid and water wash and then has been sealed. The above picture gives you an idea of how bad a shape the stone was in. The limestone was allowing water into the church structure and that is why you see the discoloration on the interior stone. It is also why we were having moisture problems in the church in the recent years. Every five years or so this stone needs to be re-sealed.

The front entrance of the church looks incredibly clean and beautiful again. I hope you take a moment to look at it. We have a beautiful church, but it takes work to maintain it. One of the members of my Maintenance Committee from a previous assignment use to say; *"Anyone can build a building. It takes someone special to maintain it."*

With all of our stewardship commitments completed, this weekend and the two remaining weekends in June will be 100% monies that will remain here for the exclusive use at Holy Rosary! **COAST 22 COAST**

Hi, my name is Abe Kolstad, I will be biking across the USA in the summer of 2015 to raise money to help others improve their quality of life. Coast 22 Coast's plan is to take the money raised and give the money to organizations like Courage Kenny Rehabilitation Institute and their clients. Coast 22 Coast's goal is to raise \$40,000+. Coast 22 Coast needs your help! Courage Kenny is just one example of an organization that benefits from Coast 22 Coast's fundraising efforts.

My older brother, Isaac Kolstad, was assaulted in May 2014 and was not expected to live. Over the course of the last year he has been relearning everything, with the majority of that time being spent at Courage Kenny in Minneapolis, MN.

**The funds raised are NOT for Isaac.** Coast 22 Coast is raising the money to give back to others. When Isaac was injured, people from all over the world helped our family. Now it's our turn to help others. There are over 6 million people living in the United States with a disability caused by a traumatic brain injury.

Visit [www.YouCaring.com/Coast22Coast](http://www.YouCaring.com/Coast22Coast) for more information and to learn how to donate.

**JUNE: THE MONTH OF THE SACRED HEART**

In the following prayer, written by Merry Cardinal Del Val, secretary of state under Pope Saint Pius X, we ask Christ to unite our heart to His, so that we may live our lives as He wishes us to and never forget the sacrifice that He made in dying for us.

**ACT OF LOVE TO THE SACRED HEART**

*Reveal Thy Sacred Heart to me, O Jesus, and show me its attractions. Unite me to it forever. Grant that all my aspirations and all the beats of my heart, which cease not even while I sleep, may be a testimonial to Thee of my love for Thee and may say to Thee: Yes, Lord, I am all Thine; the pledge of my allegiance to Thee rests ever in my heart and will never cease to be there. Do Thou accept the slight amount of good that I do and be graciously pleased to repair all my wrongdoing; so that I may be able to bless Thee in time and in eternity. Amen.*

**FROM THE MANKATO SERRA CLUB**

HOLINESS IS A CHALLENGE for us all, whatever our specific vocations. We are called to be holy in all aspects of our lives. This is an ongoing process, often slowed by setbacks. When the saints were alive, they did not regard themselves as saints; rather, they knew they were sinners — and they strived to be saints. The process of becoming holy is, even for saints, painful and filled with struggle. Know you are a sinner; strive to be a saint.

A MISCONCEPTION AMONG some Catholics is that the priest has an ideal job: he works one day each week, Sunday. They forget that the other six days a week, the priest works long and hard behind the scenes: bringing communion to the sick and elderly, counseling troubled families, visiting school classes, preparing individuals for sacraments. Often the job is frustrating, exhausting and thankless, but always of vital importance. Take some time this week and express appreciation to your priests for the difficult work they do. *Presented by The Mankato Serra Club for priestly and religious vocations for more information call 507.696.8119.*
