**RE: Opt-Out form with attached Overview and
Teaching Touching Safety Quick Reference Guide**

DATE: August 1, 2017

The Church of Holy Rosary will present the *Touching Safety* program to students this fall. The creators of the *Protecting God's Children* for Adults program developed the *Touching Safety* program. This sexual abuse prevention program is provided by the Diocese and is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse. It is not sex education.

The scheduled lessons are being offered to all students in our parish/school. I encourage you to read the attached "Overview" and "Teaching Touching Safety Quick Reference Guide" so you'll be aware of the nature of the *Touching Safety* program. If you have questions about the program or the lesson, please contact me directly. If you determine that you do not want your child to participate, please complete the "Opt-Out" information at the bottom of this page, and return the entire page to your child's teacher/catechist before the training.

For more information on the *Touching Safety* program, visit the VIRTUS *Online*™ Web site at www.virtus.org.

(Return this form ONLY if you do NOT want your child to participate in the program.)

The Diocese of New Ulm does not have my permission to present the *Touching Safety* program to my child(ren) as listed below:
